MEN ONLY - RECIPE FOR FARMHOUSE FRUIT CAKE - Class 56

| | |
|-----------------------------------|---------------------------------------|
| 150ml / 1/4 pt hot water | 225g / 8oz dried mixed fruit |
| 50g / 2oz glace cherries, chopped | 100g / 4oz soft dark brown sugar |
| 140g / 5oz butter or margarine | 2 tablespoons golden syrup |
| 2 eggs | 250g / 9oz self raising flour, sifted |
| 1/2 teaspoon of mixed spice | 1 tbsp Demerara sugar for topping |

Pour the water onto the mixed fruit and cherries and leave until cool. Grease and line a 20cm / 8inch round cake tin. Cream the butter and sugar until light and fluffy. Beat in the syrup, then the eggs, one at a time, adding a little flour to prevent curdling. Fold in the remaining flour and mixed fruit with their soaking water. Spoon into the greased tin. Sprinkle with the demerara sugar and bake for 1 - 1 1/4 hours, covering loosely with foil for the last 30 mins. Remove from oven and allow to stand for 10 mins before turning onto a wire rack to cool.

RECIPE FOR GLUTEN FREE BANANA CAKE - Class 58

| | |
|--|------------------------------------|
| 125g / 4oz unsalted butter | 125g / 4oz light muscovado sugar |
| 2 large eggs | 50g / 2oz smooth apple sauce |
| 3 ripe bananas 375g / 13oz peeled weight, mashed | |
| 1 1/2 tsp mixed spice | 150g / 5oz gluten free plain flour |
| 1 tsp gluten-free baking powder | |

FOR THE ICING

| | |
|---|-------------------------------------|
| 75 g (3oz) unsalted butter, softened | 100 g (3 1/2oz) icing sugar, sifted |
| 50 g (2oz) light muscovado sugar | 1/2 tbsp milk, optional |
| Dried banana chips, optional, to decorate | |

Preheat the oven to 180°C (160°C fan) mark 4. Grease and line the base and sides of a 900g (2lb) loaf tin with baking parchment.

Beat the butter and muscovado sugar in a large bowl until pale and creamy. Gradually whisk in the eggs, and then the apple sauce. Stir through the bananas.

Sift over the spice, flour, baking powder and a pinch of salt. Fold together with a large metal spoon (mixture may look a little curdled); empty into the tin. Bake for 50min-1hr, or until risen and a skewer inserted into centre comes out clean.

Leave to cool in the tin for 10min, then take out and cool completely on a wire rack.

For the icing, whisk together butter and both sugars until smooth. If needed, add milk to loosen. Spread over top of cooled cake. Decorate with banana chips.

HAILEY TRAY RULES

The Hailey Tray class is for a collection of three types of vegetables taken from the following list of fifteen. The quantity of each vegetable required for the collection is given in brackets:

carrots (3), cauliflowers (2), onions (3), parsnips (3), peas (6 pods), potatoes (3), runner beans (6 pods), tomatoes (6), French Beans (6 pods), sweet corn (2), pepper (3), cucumber (2), courgettes (3), beetroot (3), aubergines (2).

Each type of vegetable will be judged out of a total of 20 points, split into 3 sections as follows:

7 points for size, shape and colour; 7 points for condition and 6 points for uniformity. The overall mark will therefore be out of 60.

All vegetables are to be displayed for effect. The vegetables must be displayed within an area measuring 45cm by 60cm, without bending any part of them. No part of any exhibit may exceed the size of the tray.

A tray or board measuring 45cm by 60cm (18x24in) can be used to display the vegetables, or the area can simply be marked on the staging. Where a tray has a lip or edge, it is the internal measurements that must not exceed 45cm by 60cm (18x24in). A black cloth is permitted, and the tray may be painted. Parsley is allowed for garnishing, but no other foliage or accessories, such as plates, sand, rings and so on, will be allowed. Onion tops may be tied or whipped using raffia or string.

HAILEY VASE RULES

The Hailey Vase class is for a vase of mixed flowering stems containing a total of **between 5 and 10**, taken from a minimum of two different kinds of plants. Please note that it is two different KINDS of plants, two varieties of the same plant are NOT two kinds.

The display is judged out of a total of 35 points, split into: 25 points for the colour, form, condition, quality and freshness of the flowers on display, and 10 points for the overall presentation and effect of the flowers in the vase. The vase will be viewed from all directions. Judging of flowers should be to the normal rules used for other classes.

Stems used in the display must be showing flowers only; no seed heads or berries will be allowed.

The vase can be any shape and size and made from any material, but must be in proportion to the display. No marks are awarded for the vase itself.

No accessories such as bows and additional foliage will be allowed. Foliage which is growing naturally from the flowering stem, and still attached to that stem, is allowed. Packing material - including florists' foam - to keep the stems in place is allowed.
