Centenary of the Armistice of WW1

You may remember that last month a request was made by the Parish Council about planting a sapling at Delly Green. This was part of the nation's commemoration of the Centenary of the Armistice of WW1. After further consideration the PC has decided that there is no suitable location to plant this tree and has had to decline the offer.

Fireworks season

The Rugby club will be holding the annual fireworks display on Sunday 4th November this year. Gates open from 5pm. The bonfire and fireworks start at 7pm.

Please ensure any residents with animals are made aware of the event so they can take the necessary steps.

As customary it is a free display but a donation on exit is requested to cover the costs for next year. Please do not park along the main road as this causes obstructions. If you are holding your own display, please inform your neighbours in advance.

Speedwatch

The Speedwatch initiative is now up and running. Volunteers have been trained in how to use the SID equipment (Speed Indicator Device) which will be borrowed from the police when required. You will probably see the equipment in action through the village over the next few months.

If you are interested in volunteering for this, please contact Andy Smith at andy@adbsmith.com

Parish Council Financial Audit

The Annual Governance and Accountability Return (AGAR) for 2017-18 has been passed by the external auditors. The approved accounts and all the relevant notices can be found on the PC website: www.haileywestoxon.org

Playreading Group

David Burton

At our meeting in October we read a version of Brideshead Revisited adapted as a play by Roger Parsley and first performed in 1993. The novel by Evelyn Waugh was published in 1945 and deals with the friendship at Oxford University and after, of Charles Ryder with Sebastian Flyte and his very aristocratic and very Catholic family whose stately home was Brideshead Castle. Apart from this play the book was also made into a film and a television serial.

As the group is involved in "A Village Reflection" in St John's Church on Nov 11th (see ad) there will be no other meeting in November

Local Plan given the final seal of approval

Councillors have voted in favour of formally adopting the Local Plan for West Oxfordshire.

At an extraordinary meeting of the full council, the document which establishes a blueprint for the development of the District until 2031, was given the final seal of approval, ending a process which stretches back nine years.

The Local Plan sets out how the District can achieve economic growth and a housing target of 15,950 new homes, (**including the North Witney development of 1,400 houses**) to be built on the edge of Witney from the Hailey Road across the New Yatt Road to the Woodstock Road). although some have already been built as the Plan covers the period from 2011 to 2031.

It identifies the most suitable sites for new housing and what accompanying infrastructure, such as road improvements, new schools and play facilities, is needed to achieve the greatest benefits for the new development and, wherever possible, a wider area.

Date of Next Parish Council Meeting

The next meeting of the Parish Council will take place on Monday 12th November at 7.30pm. Members of the public are welcome to attend.

As I write we are getting ready for Apply Pressing. The weather looks set to be kind so hopefully the queues won't be too long. That's why we have tea and cake while you wait! So now there's no avoiding Christmas and as usual we have Deck the Halls on Monday 26 November from 7.30pm in the Village Hall. £3 per person plus oasis rings available on the night to buy. Advice and inspiration on hand if needed. Mulled wine and mince pies (or alternatives) are included in the price. Demand is such that we are now in the main hall. So bring your friends and have a merry evening. Ring Ann on 700162 to book.

We're currently putting the new programme together – available in January. We have added an extra class in the Crafts section for next year's show – machine-made embroidery. Advance warning for photographers – the classes for next year's show should reflect your interpretation of autumn, winter spring and summer. We also have several speakers organised including Hailey's own professional garden designer. For the hoarders, the Garage Sale is back in July. More details next year. Interest has been expressed in going to see Wood Green School garden. Ann will be organising a visit after half term. If you would like to come along ring 700162..

Hailey Football Club

Martin Friend

We are now a month into the new Football season. The first two games had identical scores, the first team lost 3-2 to Aston, the reserves lost 3-2 to Charlbury Town Reserves. Things have improved and the first team won 3-2 against Carterton Rangers in the Witney Premier Division and 2-0 against F.C.Mills in the Fred Ford Memorial Cup 1st round. In the league Hailey drew 0-0 with title favourites F.C.Hollybush. In the Oxfordshire Junior Shield Hailey were meant to play Benson Lions who conceded the fixture

The Reserve team have had victories against Corinthians 2-1 and Aston Reserves 3-2, also they drew 3-3 with Minster Lovell Reserves

Other news is that we have a new linemarker which will work better in muddy conditions. The players now have personalised tracksuit tops sponsored by Tropiglaze Windows and Webb Construction. Both firms have personnel involved with team coaching. The Reserve team kit was sponsored by The Lamb & Flag in the club colours of green and white hoops and green shorts.

The First team are very grateful to John Campbell Landscape Gardening for their new kit John is a well known resident in Hailey Village
