**Are you interested in education in our community?****Would you consider being a school governor?**

Hailey Primary School is looking to recruit new members of its Governing Body from the Hailey parish. Being a governor is a challenging but rewarding role – not only is it a vital part of our school community, ensuring a safe, caring and effective education for our pupils, but it also gives a personal opportunity to develop your own skills and experience with a group of people all similarly committed to our lovely school.

All skills and experience are welcome, but if people have finance or data skills and/or previous committee expertise, then this would be very helpful. If you are interested, but want to know more, then please call the school. We are happy to provide more detail on the responsibilities and time commitment involved. More information about the governing body is also on the school website: <http://www.hailey.oxon.sch.uk/>

**Playreading Group****David Burton**

At our last meeting , on March 11th, we read "When We Are Married" by J.B.Priestly First staged in London in 1938 it is a Yorkshire farcical comedy about three couples who were holding a joint Silver Wedding party as they had all been married in the same chapel at the same time. During the party they learned that the cleric who had married them had confessed that at the time he had not been properly qualified to conduct weddings. When the men eventually found a solution to the problem the wives found various reasons to question whether they really wanted their marriages to continue !

We decided to cancel our next meeting since it falls in Easter Week so it will be on Weds May 13th at our regular venue, The Sidings, Middletown
